

NOTICE OF PUBLIC INFORMATION CENTER

INNISFIL WATER AND WASTEWATER MASTER SERVICING PLAN UPDATE CLASS ENVIRONMENTAL ASSESSMENT

InnServices, the Water and Wastewater Utility for the Town of Innisfil (Innisfil), is undertaking a Town-wide Water and Wastewater Master Servicing Plan Update (MSP Update).

The MSP Update will identify sustainable water and wastewater servicing solutions to accommodate Innisfil's growth up to 2051, while continuing to improve servicing to Innisfil's existing residents, businesses and institutions.

Purpose of this Public Information Centre (PIC)

This PIC will provide an overview of the identification, evaluation and selection of preferred water and wastewater servicing solutions to 2051. Evaluation of alternatives will include environmental, social, technical and financial criteria. This PIC will provide interested parties the opportunity to get involved and provide input to the MSP Update.

How to Comment

We invite you to drop in to the following PIC session to view the displays and provide comments. The study team will be present to answer any questions that you may have.

- Date: Wednesday April 24th, 2024
- Time: 5 pm to 7 pm
- Location: Innisfil Town Hall, 2101 Innisfil Beach Road
Town Meeting Rooms A, B & C

Interested parties are also encouraged to visit the InnServices MSP Update webpage to stay up to date on project updates, issued notices and previously presented study material: <https://innservices.co/infrastructure-upgrades/innservices-master-servicing-plan->.

If you have any questions or comments and/or would like to be added to the MSP Update's mailing list, please contact one of the study representatives listed below:
